June wish list

1 I'm intrigued by Shane Pickett's *Into The Wanyarang Sunset* painting, \$8800, available at the Shalom Gamarada art sale to benefit Aboriginal medical students, July 19-26; 0410 648 859 or www.shalomgamarada.org.

2 A weekly bouquet delivery from Jodie McGregor Flowers, from \$65 as pictured, would be dreamy; (02) 9566 1999 or www.jodiemcgregor.com.au.

3 I love hand-quilting – Prints Charming's Citron Paisley quilt kit, \$172, lets me get to the fun part quickly; (02) 9564 0207 or www.printscharming.com.au.

4 I think better on my feet with comfy (and cute) shoes. Senso's Oprah flats, \$110, fit the bill; Niki Shoes, (02) 9332 2047.

5 Its shape and hidden shelves make this 1950s Scandinavian desk, \$1450, a rare find; Vampt Vintage Design; (02) 9699 1089 or www.vamptvintagedesign.com.

6 I own three sets of dinnerware but could make room for Dinosaur Designs' Egg dishes, from \$50; (02) 9698 3500 or www.dinosaurdesigns.com.au. **H&G**
